

To all youth wrestling parents,

We will be inviting you to join the [westbywrestling@yahoo.com](mailto:westbywrestling@yahoo.com) shortly. The purpose of this "yahogroup" is a private, by invitation only, communication center for Westby wrestling. This "yahogroup" enables us to have a central communication location, that will enable someone (coaches or parents) to communicate with all members or individual members as need be. For example drafting an email to [westbywrestling@yahoo.com](mailto:westbywrestling@yahoo.com) would automatically go to all members. Also we can establish a central calendar, with event reminders, a central location for pictures, files such as signup forms, or other club information such as who's going where this weekend or who needs a ride to practice or an event.

Once you get the invitation, you will be prompted to set up a Yahoo account. **This is required to "join" the group.** Just follow the directions on the invitation and you will start receiving [westbywrestling@yahoo.com](mailto:westbywrestling@yahoo.com) emails to your regular email account automatically. Additionally, there is a private web site at [www.groups.yahoo.com/](http://www.groups.yahoo.com/) that with your yahoo account login will get you to the Westby wrestling group website. This website will have files, pictures, and the master calendar for Westby wrestling.

Last year in the season, we sent out invitations which were either filtered by MWT.Net's spam filter Postini, or ignored because we didn't adequately explain the purpose of the invitation in the email. Since the majority of the email that are listed with club information are either at [@mwt.net](mailto:@mwt.net), or [@westby.k12.wi.us](mailto:@westby.k12.wi.us) we assumed the invitations got filtered. Therefore, we are sending a direct email to give you information ahead of time and will also explain this during registration night. If you do not receive an email invitation by Friday, December 5<sup>th</sup>, 2008 [westbywrestling@yahoo.com](mailto:westbywrestling@yahoo.com), please check your spam filters!! Or Contact Heath Ahnen directly at [heath.ahnen@yahoo.com](mailto:heath.ahnen@yahoo.com) or call 608-606-2209.

Thank you in advance
